

RADIO

SYMPHONY AT WORK

THE INSPIRATION AND TRANSFORMATION:

Retro looks with modern lines - the "Radio Range of Furniture" is built around a credenza - a curvy steel bodied unit, from which the product derives its name and, a table top that floats on a contrasting set of wood - aluminium angular leg.

It is a beautifully crafted multi - material furniture, manufactured with the highest level of technology that quintessentially defines style, legacy and modernity.

Designed by
Gauri & Somnath Dutta Roy

Radio is a range of sophisticated cabin furniture designed for the taste and sensibility of superior managers.

The Radio suite comprises of an extremely high finished painted table top on maple/oak wood legs mounted on a soft edged side credenza unit. An optional rear credenza adds further dimension to the suite. The Radio range of furniture also offers a set of 6 seater conference table, a 4 seater discussion table and a corner table, to complete a feature filled selection for your requirement.

AN ARRAY OF FEATURES:

- Membrane finished storage facia
- High chrome Hettich handles
- All soft closing hinges and channels
- Range of sockets, USB chargers and data outlets
- Concealed wiring
- Space for printers/documents in open shelves
- Space for storing laptop bags/ water bottles in side credenza
